

Now in it's 48 years of community service, the Riverview Lioness is still ticking along raising money to support community services that focus on the well being of men, women and children who benefit through financial support to such groups as Crossroads for Women, the Albert County Food Bank, Pro Kids and our two local hospitals as well as the IWK.

The Lioness have a hard working group of 15 dedicated women who work hard while enjoying the comradarie and support of each other. While it may sound as though we spend much of our time working at various fund raising activities we also find time to visit with each other and have fun.

Always on the look out for more like minded women who would like to join us, we would love to see new faces and invite anyone who would like to drop in and meet the group to simply give a call and we'll let you know when our next meeting will be...we'll even have someone pick you up, if you need a ride.
